

LLM-Powered Code Review Bot Report

Generated on: 2026-06-27 23:36:17 | Review ID: #2

Score: 75 / 100

Code Summary & Refactoring Feedback

Mock Review (OpenAI API key missing/invalid). The review bot analyzed common coding patterns statically.

Refactoring Suggestions:
Configure your OPENAI_API_KEY in the backend/.env file to unlock GPT-4o analysis.

Flagged Issues Details

File	Line	Severity	Category	Explanation
code_snippet.py	1	High	Security	Potential hardcoded credential or secret found in code.
